Schnabel Engineering DC, Inc. is an affiliate of Schnabel Engineering, Inc.

Engineering services in the following states are performed by Schnabel's respective affiliated entity: Michigan: Schnabel Engineering of Michigan, Inc.; New York/Connecticut: Schnabel Engineering of New York; North Carolina: Schnabel Engineering South, P.C.

Schnabel's heavy industry experience spans a number of areas, including shipbuilding, wood preserving, pharmaceutical, oil and gas, cargo, paper, coal, aggregates, and manufacturing facilities. Our longest-tenured client, Newport News Shipbuilding, returns to our team year after year with trust and confidence in our industrial project experience.

Our clients typically ask us to perform services related to environmental compliance, hydrogeology and dams, reuse of industrial by-products, geotechnical and geostuctural engineering, and construction quality assurance/quality control.
